THURSDAY 4 JUNE

| | | |
|-----------------|--|--|
| 7:30am | Bus Departure from Hilton South Wharf and Crown Promenade to Royal Australasian College of Surgeons Skills Lab <i>*Bookings essential.</i> | |
| 8:00am - 4:30pm | Anatomy & Live Injecting Workshop - Sponsored by Allergan <i>*Limited places apply. Bookings essential. Additional fees apply. SOLD OUT</i> | |
| 4:30pm | Bus Departure to Hilton South Wharf and Crown Promenade <i>*Bookings essential.</i> | |
| 6:00pm - 8:30pm | Welcome Reception <i>Dress Code: Smart Casual</i> | Cargo Hall 39 South Wharf Promenade, South Wharf |

FRIDAY 5 JUNE

| | | |
|---------------------------------------|---|---|
| 7:00 - 8:00am | Registration | |
| SESSION 1 8:00 - 10:00am | OPENING PLENARY Moderator Mark Magnusson | Melbourne Convention Exhibition Centre |
| 8:00 - 8:05am | WELCOME ASAPS President & CPSA President | Tim Papadopoulos Gabrielle Caswell |
| 8:05 - 8:10am | OPENING Non-Surgical Symposium Convenor | Mark Magnusson |
| 8:10 - 8:40am | Optimizing Injectables Outcomes in Diverse Patient Populations - ethnic (facial morphotypes), older/younger patients, longitudinal treatment planning | Hema Sundaram |
| 8:40 - 9:00am | Unfavourable anatomy: how it impacts beauty and the rate of ageing changes | Patrick Trevidic |
| 9:00 - 9:20am | Stepwise approach in facial enhancement for females | Steven Liew |
| 9:20 - 9:50am | Management of Men | André Braz |
| 9:50 - 10:00am | Discussion | |
| 10:00 - 10:30am | MORNING TEA WITH INDUSTRY | |
| SESSION 2 10:30am - 12:10pm | TOXINS & SAFETY Moderator Philippe Berros | Melbourne Convention Exhibition Centre |
| 10:30 - 10:45am | Gummy smile | André Braz |
| 10:45 - 11:15am | Botulinum toxin and new trends | Patrick Trevidic |
| 11:15 - 11:35am | Plastysma bands: new trends | Patrick Trevidic |
| 11:35 - 12:10pm | Injectables safety | Jeffrey Kenkel |
| 12:10 - 1:10pm | LUNCH WITH INDUSTRY | |
| SESSION 3 1:10 - 3:00pm | SESSION 3A RADIOFREQUENCY, BODY- CONTOURING & DEVICES Moderator Tim Papadopoulos Melbourne Convention Exhibition Centre | SESSION 3B COSMECEUTICALS AND FILLERS: FREE PAPERS Moderator Geoffrey Heber Melbourne Convention Exhibition Centre |
| 1:10 - 1:30pm | Radiofrequency - Solo and Combined Paradigms for Face and Body Hema Sundaram | 1:10 - 1:20pm Topical growth factors for eye bags, senile purport and acne scars Ronald Moy |
| 1:30 - 1:40pm | RF microneedle device Edward Victor Ross | 1:20 - 1:30pm Efficacy of autologous platelet rich plasma for the delicate peri-ocular zone Christopher Lee |
| 1:40 - 1:50pm | Cryoshape for keloids (intralesional cryotherapy) Greg Goodman | 1:30 - 1:40pm Ten year experience of home mesotherapy system for facial rejuvenation Desmond Fernandes |

| | | | | | |
|---------------|---|--------------------|---------------|--|--|
| 1:50 - 2:00pm | RF microplasma | Edward Victor Ross | 1:40 - 1:50pm | Complementary modalities in achieving optimum result in skin needlings | Desmond Fernandes |
| 2:00 - 2:10pm | ePrime minimally invasive radiofrequency treatment | Mary Dingley | 1:50 - 2:00pm | Cellulite therapy: Clinical treatments in synergy with a novel new cosmeceutical ingredient | Terri Vinson, Synergie Skin |
| 2:10 - 2:40pm | Overview of non-surgical body contouring | Jeffrey Kenkel | 2:00 - 2:10pm | The trifactor solution for acne lesions | Robert Anderson, Theravant |
| 2:40 - 3:00pm | Sequence and timing of fractional lasers, radiofrequency, injectables and skin care for synergy, enhanced efficacy and optimal aesthetic outcomes | Vic Narurkar | 2:10 - 2:20pm | Microneedling with simultaneous Transdermal Delivery of Cosmeceuticals: an advancement in Technology | Chiza Westcarr, Advanced Skin Technologies |
| | | | 2:20 - 2:35pm | Cross-linked HA skin care: Resilient Hyaluronic Acid | |
| | | | 2:35 - 2:50pm | A new family of HA fillers: Teosyl PureSense | |

| | | | | | |
|-----------------------------------|--|--|--|--|--|
| 3:00 - 3:30pm | AFTERNOON TEA WITH INDUSTRY | | | | |
| SESSION 4 3:30 - 5:30pm | THE LOWER FACE Moderator Jeffrey Kenkel | | | | Melbourne Convention Exhibition Centre |
| 3:30 - 3:50pm | Lower face recontouring : A comprehensive approach | | | | Steven Liew |
| 3:50 - 4:20pm | Video Demonstration: injecting lower face | | | | André Braz |
| 4:20 - 4:50pm | Anatomy and lip enhancement | | | | Patrick Trevidic |
| 4:50 - 5:20pm | Live Injecting: Lip enhancement | | | | Hema Sundaram/Sarah Hart |
| 5:20 - 5:30pm | Discussion | | | | |
| 6:15 - 8:30pm | GALDERMA WORKSHOP The Galderma Collection: Tailored Solutions for the Perfect Fit Meeting Rooms 203 & 204, Melbourne Convention Exhibition Centre | | | | Philippe Berros Dan Kennedy |

SATURDAY 6 JUNE

| | | | | | |
|-----------------------------------|--|--|--|--|--|
| 7:00 - 8:00am | CUTERA BREAKFAST SYMPOSIA Technologies in Practice: The Laser Dermatology Experience using Pico, Nano and Milli Second Technology in Conjunction with 532nm and 1064nm wavelengths. Vascular malformation and optimising your vascular treatment options. Edward Victor Ross | | | | Meeting Room 203, Melbourne Convention Exhibition Centre |
| 7:30 - 8:00am | Registration | | | | |
| SESSION 1 8:00 - 9:45am | PERIORBITAL MASTERCLASS PART A Moderator Terrence Scamp | | | | Melbourne Convention Exhibition Centre |
| 8:00 - 8:40am | Assessing the lid/brow balance and selecting the appropriate periorbital rejuvenations | | | | Mark Magnusson |
| 8:40 - 8:55am | The eyebrow- eyelid junction: The next big thing | | | | Steven Liew |
| 8:55 - 9:15am | Making sense of lower eyelid- cheek junction | | | | Steven Liew |
| 9:15 - 9:45am | Hyalurostructure: How to avoid complication in periorbital injections | | | | Philippe Berros |
| 9:45 - 10:15am | MORNING TEA WITH INDUSTRY | | | | |

| | | |
|---------------------------------------|--|--|
| SESSION 2 10:15am - 12:15pm | PERIORBITAL MASTERCLASS PART B Moderator Hema Sundaram | Melbourne Convention Exhibition Centre |
| 10:15am - 10:45pm | Hyaluro or Microlipostrucutre for periorbital injection | Philippe Berros |
| 10:45am - 11:15pm | Periorbital rejuvenation with HA (video) | Patrick Trevidic |
| 11:15am - 11:45pm | Combined Treatment of Temple, Eyebrow Tail, Forehead and Periorbital | André Braz |
| 11:45am - 12:15pm | Live injecting: Periorbital | Philippe Berros |
| 12:15 - 1:15pm | LUNCH WITH INDUSTRY | |

| SESSION 3 1:15 - 3:10pm | SESSION 3A COSMECEUTICALS & EMERGING PRODUCTS Moderator Greg Goodman | | SESSION 3B DEVICES Moderator Eddie Roos | | |
|-----------------------------------|--|----------------|---|---|---|
| 1:15 - 1:30pm | PS approach to skin care | Jeffrey Kenkel | 1:15 - 1:25pm | Google AdWords made easy | Adam Downer, Costhetics |
| 1:30 - 1:45pm | Individualising cosmeceuticals | Greg Goodman | 1:25 - 1:35pm | Nonsurgical treatment of vaginal relaxation syndrome with an erbium:YAG laser employing 90 and 360 degree scanning scopes | Glen Calderhead, Clinique L Dermatology |
| 1:45 - 2:15pm | Hot topicals - New and emerging science in cosmeceuticals | Hema Sundaram | 1:35 - 1:45pm | Sexual function after fractional micro ablative CO2 laser in women with vulvovaginal atrophy | Fariba Behnia-Willison, High Tech Laser |
| 2:15 - 2:30pm | Neutraceuticals | Greg Goodman | 1:45 - 1:55pm | Non-invasive microwave treatment for the permanent elimination of axillary sweat and odor glands | Edward Victor Ross |
| 2:30 - 3:00pm | Platelet rich plasma and growth factors, including trans-epidermal delivery systems such as micro needling | Hema Sundaram | 1:55 - 2:05pm | Focused RF treatment for Subcutaneous Adipocyte Apoptosis or Facial collagen remodeling - wide variety of treatment targets (Clinical background and evidence by human and porcine model) | Tomas Boleslavsky |
| 3:00 - 3:10pm | Optimising fractional laser treatments with Cosmeceuticals | Vic Narurkar | 2:05 - 2:15pm | Subcutaneous Adipocyte Apoptosis induced by Contactless Selective Field RF treatment (Clinical background and evidence by human and porcine model) | Tomas Boleslavsky |
| | | | 2:15 - 2:25pm | Skin rejuvenation with microneedling fractional radio frequency and 830nm light-emitting diode phototherapy: An interesting synergistic approach | Glen Calderhead, Clinique L Dermatology |
| | | | 2:25 - 2:35pm | Randomised split-tattoo study comparing safety and efficacy of picosecond and nanosecond Q-Switched Nd:YAG lasers for tattoo removal | Edward Victor Ross |
| | | | 2:35 - 3:10pm | AcuPulse™ Versatility: The Next Generation CO2 | Edward Victor Ross |

| | | | | | |
|---------------|------------------------------------|--|--|--|--|
| 3:10 - 3:40pm | AFTERNOON TEA WITH INDUSTRY | | | | |
|---------------|------------------------------------|--|--|--|--|

| | | |
|-----------------------------------|--|--|
| SESSION 4 3:40 - 5:20pm | FILLERS Moderator Stefania Roberts | Melbourne Convention Exhibition Centre |
| 3:40 - 4:00pm | Building the Perfect Jawline | André Braz |
| 4:00 - 4:20pm | "Injectable rhinoplasty: Pearls and perils | Terrence Scamp |
| 4:20 - 4:40pm | Combined Treatment of Nasojugal and Malar | André Braz |
| 4:40 - 5:00pm | Anatomy and medical hand rejuvenation : which plane? which product? Which outcome? | Patrick Trevidic |
| 5:00 - 5:20pm | What's in my syringe, and what does it mean clinically? Linking science to clinical outcomes | Hema Sundaram |
| 6:30pm sharp | Bus departs Crown Promenade and Hilton South Wharf for Gala Dinner Bus returns at conclusion of Gala Dinner to Crown Promenade and Hilton South Wharf | |
| 7:00pm | Symposium Gala Dinner <i>Dress Code: Formal</i> Zinc, Federation Square - Corner Swanston St & Flinders Street, Melbourne | |

SUNDAY 7 JUNE

| | | |
|---------------------------------------|--|---|
| 7:00 - 8:00am | LUMENIS BREAKFAST SYMPOSIA The Business of Non-Invasive Body Contouring with CoolSculpting – Great Strategies, Even Better Returns! Amber Moncrieff, CEO / Michelle Hunt, Dermatologist / Mark Magnusson, Plastic Surgeon | Meeting Room 203, Melbourne Convention Exhibition Centre |
| SESSION 1 8:00 - 10:00am | LASER & LIGHT DEVICES Moderator Mary Dingley | Melbourne Convention Exhibition Centre |
| 8:00 - 8:10am | Picosecond 1064 nm laser | Edward Victor Ross |
| 8:10 - 8:20am | Low fluency large spot size 1064 nm laser for hair reduction in dark skin | Edward Victor Ross |
| 8:20 - 8:30am | Melasma treatment with ns 1064 nm laser | Edward Victor Ross |
| 8:30 - 9:20am | Laser/light: what works | Jeffrey Kenkel |
| 9:20 - 9:30am | Pigment guided selection of IPL parameters to optimise outcomes and reduce complications | Edward Victor Ross |
| 9:30 - 9:40am | Fractionated non-ablative lasers: How, where and why | Michelle Hunt |
| 9:40 - 9:50am | Full circle: Has fractionated laser replaced fully ablative resurfacing? | Davin Lim |
| 9:50 - 10:00am | Bruise removal laser study | Peter Muzikants |
| 10:00 - 10:30am | MORNING TEA WITH INDUSTRY | |
| SESSION 2 10:30am - 12:30pm | RESURFACING & ACTINIC DAMAGE Moderator Mark Ashton | Melbourne Convention Exhibition Centre |
| 10:30am - 10:45pm | Peels | Greg Goodman |
| 10:45am - 11:05pm | Facial resurfacing | Jeffrey Kenkel |
| 11:05am - 11:15pm | High-density Thulium 1927- Results equivalent to 5FU and PDT for the treatment of solar keratosis | Davin Lim |
| 11:15am - 11:25pm | Rejuvenating skin by protecting the DNA | Desmond Fernandes |
| 11:25am - 11:35pm | A review of some contemporary issues associated with sunscreens | Geoffrey Heber |
| 11:35am - 11:45pm | Superfluid sunscreens: new photoprotective technologies beyond SPF | Richard Parker |
| 11:45am - 11:55pm | Chemical peels as an alternative to light-based therapies | Vivien Gardiner, Erase Aesthetic Services |
| 11:55am - 12:05pm | Skin tightening with carbon dioxide lasers or using growth factor facials using the Bohr effect technology | Ronald Moy |
| 12:05am - 12:15pm | Discussion | |
| 12:15am - 12:30pm | Closing Remarks | |
| 12:30pm | Symposium Closes | |
