SPEAKER

Dr Kelly Stankiewicz MD, FAAD is a board-certified dermatologist with a passion for all things skin.

Inspired by the opportunity to create a cutting edge clinic in a calming and caring environment, she has opened The Dermatology House in Park City, UT.

After graduating from medical school at Indiana University School of Medicine in 2006, Dr. Stankiewicz completed her dermatology residency at the Dartmouth Hitchcock Medical Center in 2010 and a clinical fellowship at Massachusetts General Hospital, Harvard Medical School and the Wellman Center for Photomedicine in lasers and cosmetic dermatology in 2011. Dr. Stankiewicz speaks globally on laser treatment of skin conditions and non-invasive skin rejuvenation.
